As the guiding body of the NALC the members of the council liaison with the Mission Districts for the purpose of connecting and supporting your women's groups in whatever manner we can be most helpful. WNALC Membership

The Women's Council of the WNALC welcomes all women who are members of an NALC congregation as members of our organization. The WNALC exists to link the women of NALC congregations together as a community of faith, hope and love to enhance and facilitate the work within our local churches, larger church body, and our international ministries. We do not share the old organizational structure as before the NALC. You do not need a slate of officers sent in to the Council. We would like a point of contact, but even that is not a requirement. The Women's Council (TWC) and other volunteers are called to join with us as members in God's mission- studying His Word, serving others in Christ's name, and fellowship among Christian woman.
